

作業検査カメラ
RICOH SC-20

作業結果ログ サンプル

RICOH
imagine. change.

The illustration shows a worker in a white uniform and blue face mask standing at a workstation. A camera is mounted above the workstation, with red lines indicating its field of view. A data log window is overlaid on the right side of the image, displaying a table of activity logs. The log contains columns for time, sequence number, date, time, and event name. The events include 'boot', 'Login', 'change Work', 'Start', 'log out', and 'change S/N'. The log is divided into sections by time, with the first section from 15:48 to 16:25 and the second from 16:25 to 17:13. The worker is currently working on a blue table with various components.
